P.C:

. The post in question was not sanctioned. The appointment of the petitioner to the said post was made without following the procedure and the petitioner was reverted when the auditor pointed out the illegality committed by the Corporation. As the Government has refused to sanction additional post the prayer of the petitioner for regularisation of his promotion cannot be accepted. As far as the recovery part is concerned, the differential amount has already been recovered from the petitioner. In the circumstances, no relief can be granted to the petitioner. Petition is dismissed.
